## Product Description

MICRO-START XP-1

World's smallest Portable Jump Starter and Back-up Power Supply

The Micro-Start PPS (Personal Power Supply) is the world's smallest Jump Starter and Personal Power Supply (only 6" x 2-7/8" x 1"). So small it fits in your POCKET yet so powerful it can start all motorcycles, Powersports Vehicles and even V8 Trucks!!! But amazingly it also powers or charges Laptops (not 16v Apple Laptops) , Cell Phones, iPhones, iPads, Go Pro Cameras, Tablets, Blue Tooth Devices and more.

Just charge it once and take back-up power where ever you go. No need for an electrical outlet, or power station! It can charge a Cell phone several times, power your Laptop up to 2.5 hours. Weighing less than a pound (13 oz.) and small enough to fit in your pocket you can take it with you anywhere! Whether you are riding, driving, camping or boating or traveling you can remain confident that you will be able to start your vehicle, make that important call, or get that last bit of work done. It even has a high power built in flashlight with S.O.S patterns built in!

## THE MICRO-START---- WHAT IS IT AND WHAT CAN IT DO?

1. World's smallest, lightest Jump Starter/Portable Power Supply available:---only 6" x 2-7/8" x 1", 13 oz.
2. It can Jump start Cars, Trucks, Motorcycles, Boats, ATVs, UTVs, Snowmobiles and Watercraft--- and YES it will jump start your V8 truck several times in a row!!!
3. It Charges and Powers most all electronic devices such as--- Laptops (not compatible with Apple 16v Laptops), all Cell Phones, iPads, Go Pro Cameras, iPhones, Kindles, PSPs, PDAs, GPS, MP3s, Blue Tooth Devices, Cameras and more
4. It has 3 on-board Power Ports: a 19v for laptops,----- a 12v standard output for all 12v Accessories,----- and a USB 5v output for charging or powering ANY 5v USB charged device.
5. It has a HI-POWER LED flashlight with 2 built-in flash patterns including an S.O.S. flashing beacon pattern.
6. It has a lighted battery capacity indicator- Press a button to see the battery capacity left in the Micro-Start
7. It has built-in over-charge and over-discharge protections for long battery life
8. It has an automatic power-off when not in use
